<p>Personal responsibility of participants for technical safety</p>	<p>Each participant is responsible for the technical safety of their equipment and is to make sure that the equipment is in line with the</p>

of equipment	rules.
<p>Closing Provisions</p>	<p>The triathlons will be held on the scheduled date, regardless of the prevailing weather conditions.</p> <p>The triathlon organizer reserves the right to change rules, regulations, locations and the timing of the triathlon.</p> <p>In order for the triathlons to run smoothly, competitors will be receiving news of interest regularly from the organizer.</p> <p>THE CHAMPIONSHIP reserves the right to implement an emergency plan in the interest of the competitors' safety. At the same time, it assumes no responsibility for any possible consequences or impact resulting from the implementation of the plan. If the emergency plan remains in effect, the organizer has the right to cancel the event without refunding registration fees to the triathletes.</p> <p>Any dispute will be considered and resolved by the Referees Committee.</p> <p>The triathlon organizer will provide an interpretation of the rules in the case of contentious issues and all competitors are governed and bound during the entire triathlon by instructions from the organizer.</p> <p>It is important for all competitors to recognize the principle of FAIR PLAY during the triathlons and not to have their behavior threaten themselves or anyone else participating in them.</p> <p>The organizing committee, including volunteers, will be monitoring the behavior of competitors during the race and violations will result in disqualification.</p> <p>Any protests must be submitted to the Referees Committee either within two hours of having been disqualified from the race or at latest two hours after the event ends. A fee of € 50 is required to be paid in order to submit a protest, which will be returned if the protest is acknowledged, but will be retained by the race organizer in the event of an unsuccessful challenge.</p> <p>When using public roads during the race, triathletes will follow the organizer's instructions and those given by the police. Any disregard of these rules will result in the competitor's immediate disqualification. The race director and route referees have the right to disqualify any competitor with immediate effect.</p> <p>Please comply with traffic rules during the entire triathlon as some of sections of the route will also be open to the public. Even when the route is closed to traffic, please remember to give first aid, police and the organizer's vehicles access.</p> <p>Competitors that fall from their bicycles are required to move to the shoulder of the road so as not to endanger other riders.</p> <p>The rescue service and the organizer's healthcare staff have the competence to evaluate the condition of any competitor and decide on their ability to continue in the race. Their decision is final. Unless the health service allows a triathlete to continue, they will be eliminated from the race.</p>

The use of any painkillers, performance enhancing drugs or doping methods is prohibited. The triathlon organizer has the right anytime to test competitors for the presence of prohibited substances. A positive test means immediate disqualification.

These triathlons are governed by the rules of the International Triathlon Union and are in accordance with the approved description of them.

Any decision by a competitor to withdraw from a triathlon should be communicated to a route marshal as soon as possible.

During the triathlons competitors will not be permitted to use hand-free mobile phones, MP3 players or any other types of these devices.

Competitors are not allowed to compete with a bare midriff or no shirt.

Race numbers must remain visible during the entire triathlon.

Every competitor agrees to follow the predetermined route and in their own interest to remain on the marked route.

All competitors are required to attend mandatory instructional meetings and to register at set intervals.

Triathletes are required to mount their bicycles at the stands assigned to them by a specified time limit.

The organizer reserves the right to check compliance with all rules.
